

St. Luke's Preschool 2026

Important Dates

September 7th: No School
September 25th: Picture Day

Welcome Back!

We are so excited to have all our returning kids and new faces! We anticipate a fun first few weeks of school.

Please help us and your child adjust as quickly as possible by having a consistent drop off and pick up routine, especially these first few weeks. Reach out to your child's teacher on Procure or email Miss Sarah if you have any questions. We are always happy to help our families adjust to the new school year!

September Birthdays

Carter's Birthday: September 4th
Mirella's Birthday: September 10th
Evan's Birthday: September 11th
Junie's Birthday: September 11th
Miss Jenny's Birthday: September 17th
Vihaan's Birthday: September 25th

Safety & Security

The safety of children and staff at St. Luke's is a top priority. During the school day the entrance doors are locked from the outside- visitors must ring the bell at the side or front door. We use a peephole and a Ring camera to check before opening any doors. We also have an interior door with a keypad lock that can be closed. Please send a Procure message or email if someone different is picking up your child. We do all we can to create a safe environment where all our students can learn and grow!

Reminders

- Please send your child in weather appropriate clothing and closed-toe shoes as we go outside daily, weather permitting.
- Apply sunscreen at home for our morning playground time
- Label all items you send to school- many lunches, jackets, and water bottles are similar or the same!
- We are a peanut and tree nut free school. If you send your child with a nut free alternative please let the teacher know, as many look just like the real thing!
